Having previously thanked everyone who has cooperated so faithfully this past year and helped to make it a GOOD year in almost every respect, I shall now, at the year end, thank all who have read this monthly bulletin, apparently with interest. It is the only communication which enables us to notify everyone interested in the Oral School of our activities and the progress being made yearly.

Our sincere sympathy is expressed at this time to Dorothy Weisbrod in the recent loss of her husband, Raymond. Contributions have been made in his memory to the scholarship fund. Dorothy has been notified of these donations.

The Allen Sherman Memorial Fund has grown unbelievably. Irene Sherman has requested space in this bulletin in order to express her heartfelt appreciation:

"To members and friends of the Auxiliary who donated so generously to the Memorial Fund established for my husband I send you my heartfelt thanks. This would have pleased him as he so believed in the work of the Oral School. I also wish to express appreciation to those who sent cards and flowers. It was a great comfort to know you shared in our sorrow. If you failed to receive a note from me, it was not an intentional oversight but some cards and lists were mislaid and I ask you to forgive me.

"Again my thanks and when a decision

is reached as to how this fund will be used the Auxiliary will be the first to know the plans. Gratefully, Irene Sherman."
